your product via video  
or image format**

Exhibition

**Engage your  
audience in the  
lively and  
interactive virtual  
tables**

Engagement

**Plug in useful  
resources to booths  
and track  
downloads**

Integrations

**Engage your  
audience in the  
lively and  
interactive virtual  
tables**

Analytics

Brand the reception, stage  
backdrops and the interiors in your  
own style.

Network and host interesting  
games in the lounge

Present with intuitive stage engagements  
like screen share, raise hands, emoji  
reactions, polls, Q&As and more.

Showcase your product in the booths  
and connect with prospects in the  
booth lounge one-on-one
